Name on card			
Credit card number		Expiry date	
Card holder's signature			

PLEASE NOTE

Special rates have been negotiated with the above venues and are applicable for extended stays, subject to availability. To take advantage of these savings, please read the following information carefully and complete the accommodation booking section on the registration form at the end of this brochure. These room rates are available only by booking through the Congress Managers.

- Rates – prices quoted per room per night in Australian dollars and are GST inclusive
- Deposits – a deposit of at least one night's tariff must accompany your registration form. Alternatively, your credit card details will be passed on to the hotel. The hotel, at its discretion, may process this debit immediately or wait until check-out. The final account must be settled on check-out direct with the accommodation venue. A tax invoice/receipt will be issued at that time.

- Book early – while all reservations are subject to availability, early bookings are encouraged to secure your preferred hotel. Special rates cannot be guaranteed for reservations received on or after **29 May 2008**
- Early arrivals – if you would like to check in before 1500 hours, please pre-register (book for the night before). This is advisable for international delegates arriving on early morning flights
- Late arrivals – please indicate if you will arrive at your hotel after 1800 hours to avoid your room being released and a no show fee being charged
- Cancellations – no accommodation deposits will be refunded on or after 29 May 2008. In addition, cancellations in whole or part may incur an extra penalty at the hotel's discretion – these range from 14 days to 48 hours prior to check in – please check with the congress managers for individual cancellation policies
- New bookings or changes to existing reservations made on or after 29 May 2008 will incur an additional AUD22 processing fee
- All information is correct at time of printing and is subject to change without notice
